We love this direct daughter of the over 105"TTT Cowboy Tuff Chex, (the Guinness record holder longest horned bull) out of an over 80"TTT daughter of JP Rio Grande, as she has super genetics on top and bottom with names like VJ Tommie, and the over 100"TTT BL Rio Catchit and has wonderful conformation, horns pointing the right direction, nice markings and good color as well as a very docile temperament. As she calves every 11 months like
